The trophy of premium sake
Introducing Katokichibee Shouten Born Junmai Daiginjo "Dreams Come True" Sake

Take one sip of this delectable Junmai Daiginjo-grade sake and see your "dreams come true".

A carefully crafted blend of two premium sake, utilising high-quality yamadanishiki rice and the brewery's special in-house koji, this sake is tantalising and alluring in its gentle sweetness, and complex fruity, floral flavour.

Close your eyes and experience the delicate flavour profile of this sake, where the luscious texture is followed by a clean, refreshing aftertaste that cuts through like a sword.

Presented in a beautiful, handmade bottle that shines in pale gold.
